General Comments

The quality assurance monitor is on-site to conduct a monitoring inspection.

The quality assurance monitor is present during the morning indoor play period. The children are observed participating in a variety of activities, such as playing musical instruments, building towers with blocks, driving small vehicles on a track, sharing and exploring different Sonic cards, and reading books.

The following elements were verified:
- ratio and maximum number of children
- administrative records maintained on-site
- daily routine
- health
- incident records
- medication records
- medications
- nutrition
- outdoor play area
- safety

During the visit, the ratio is respected.
