31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Jun 26, 2026	Nov 16, 2026
Comments: Deficiency is now compliant			

General Comments

Administrator confirmed by email that surfacing sand is being used to fill cracks in the pavement. A more permanent solution is hoped to be found in the spring. Educators have also been regularly raking the protective surfacing under slides and the swings to ensure there is adequate depth for children's safety.
