At the top left is the New Brunswick Canada logo, and at the top right are links for 'Sign In', 'Register', and 'Français'. The main heading is 'Early Learning and Childcare Enrolment Offer'. Below this is a blue box with the text: 'To proceed with accepting the Enrolment in Early Learning and Childcare Centres and Homes, please complete the following steps.' The page is divided into two main sections. The first section, '1 Collect the necessary information', explains that to accept an offer, a profile for the child must be created. It lists required information: 'Legal Name and Date of Birth' and 'Medicare Number and Name'. It also notes that school-age children may have an NBEN, which can be used for verification. The second section, '2 Accept the Enrolment Offer', states that the user must select the child associated with the offer. Below these sections are two buttons: 'Sign In' (with a 'Reset your password' link) and 'Create an Account' (with a 'Register' button). A 'Need Support?' section at the bottom provides contact information for assistance.
