24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (c) staff member records that include (vii) a copy of a valid first aid certificate and a valid cardiopulmonary resuscitation certificate for each administrator and educator.	24(1)(c)(vii)	Dec 18, 2026	

Comments: During the monitoring inspection, the Quality Assurance Monitor observed that a staff member's First Aid (FA) and Cardiopulmonary Resuscitation (CPR) certificates were not issued by a recognized training provider. The Quality Assurance Monitor provided the administrator with a list of recognized providers and reminded the administrator that all staff members are required to hold valid First Aid (FA) and Cardiopulmonary Resuscitation (CPR) certificates issued by a recognized provider.

General Comments

The Quality Assurance Monitor is on-site in the morning to conduct a monitoring inspection.
The child-to-educator ratio is maintained throughout the visit.

The Quality Assurance Monitor verifies that the required information is posted in visible locations throughout the facility.

The Quality Assurance Monitor inspects the indoor play areas and outdoor play areas. The play areas observed are clean, well maintained, and contain a variety of equipment and materials that are accessible to the children.

During the monitoring inspection, the Quality Assurance Monitor observed children waking from their rest period, participating in indoor free play, and after-school children arriving from school. Adequate supervision of the children was observed throughout these activities.
