# Daycare Assistance Program (DAP) - Transfer Form

The Designated Centre – Parent Subsidy program assists families with financial support to help pay for the costs of early learning and childcare for children in designated **New Brunswick Early Learning Centres**.

The program provides free early learning and childcare services to families with a total annual gross income of \$37,500 or less for their preschool children aged five and under. Families will not exceed 20% of their gross annual family income to cover child care costs while their child is attending a designated New Brunswick Early Learning Centre. The level of subsidy is based on a sliding scale (between \$37,501 and \$80,000) and will be determined based on the gross annual household income.
