General Comments

The Quality Assurance Monitor is on site in the afternoon to conduct a monitoring inspection. The ratio was respected during the visit.

The following elements were verified:

- Checks
- Staff member's file
- Qualification and training
- Administrative records maintained on site
- The outdoor play area and equipment
- Premises
- Safety
- Transportation

The children were observed arriving at the facility from school and eating their afternoon snack. Yogurt tubes and pretzels were served as the afternoon snack. The Quality Assurance Monitor also observed a group of children engaged in a snowflake craft activity using Q-tips, pom-poms, and glue. Other children were observed participating in free play within the indoor play area. An educator was observed informing the children of the new fire drill procedures in preparation for a fire drill scheduled to take place the following day. The children were also observed transitioning to the outdoor play area. Positive interactions were observed between the educators and the children.
