39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (b) medications.	39(2)(b)	May 13, 2019	May 13, 2019
Comments: although medication is kept out of reach, it also needs to be locked. Remedied during the visit.			

General Comments
This afterschool program area is bright and has a variety of materials and activities for the children to do. The program appears to be well-planned. Everything is now in compliance and I recommend for licencing.
