General Comments
A Monitoring Inspection was conducted this afternoon. The children were observed inside. Operator was observed sitting with the children, at their table, taking part in an open-ended art activity, involving decorative tape. Operator stated that the children are presently interested in building and transforming. Operator stated that the children enjoy constructing vehicles and buildings with cardboard. Instrumental music could be heard in the background. An oatmeal / cinnamon sensory tray was observed. Several wooden materials and loose parts were observed. Each child had their very own journal available and accessible, to pick up as needed, to draw / mark-make. Several forms of documentation were observed, including photos, learning stories, and individual child binders. Each child also had their very own homemade pair of slippers. Several well-defined learning / play centers were observed - building, reading, arts and crafts, and dramatic play. Positive child guidance techniques were observed. Operator was observed sitting with the children, conversing and taking part in play.
