Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

General Comments
-Early afternoon's visit to the establishment for an unexpected monitoring inspection -Ratio was respected during the visit -Children's files have all the required documents Observations: When I arrived at the facility, one child was just waking up from his nap while another one just arrived. Both had snack and were then looking into books, reading stories to the operator.
