General Comments A renewal inspection was conducted at the facility. During the inspection, the educator-to-child ratio was respected. Discussion was had with educators regarding outdoor play area. The facility operates in the Millerton Elementary & Junior High School and utilizes their outdoor playground. Educators confirm that they ensure that the playground poses no risk to children when they go outside and that they notify the school's administration if there are any issues. Upon arrival, school aged children had a snack. Once snack was done, they played in free play and then proceed outside where water play activities were set up in the outdoor play area. Facility meets requirements under the Act and regulations, license is recommended.
