General Comments

-Late afternoon visit to the establishment for an unexpected monitoring inspection
-Ratio was respected during the visit
-Daily routine into the center includes; Outdoor play time at least once every 4-hour blocks time (when the weather is permitting) on days where there is no school and at the end of the day on school days. Meal and snacks are served at the recognized hours.
-During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations. Open-end questions are asked and guidance is given in a respectful and kind way
-A first-aid kit and a phone are always accessible on site and on outings.
-No hot beverage was found during the visit, but reminder was given to educators that hot beverages must be kept in a sealed cup to be permitted in areas where children are present.
-Children's indoor play area is safe and clean
-A calendar is posted on the wall showing incoming activity for the week.
- Material and equipment proposed to children in the indoor play area are easily accessible on low, open shelves. It is varied and in sufficient quantity for all children present.

Observations: Children arrived from school, washed their hands and sat at the table for a snack. A poppy craft was proposed for Remembrance Day.
