General Comments - Visit completed at the establishment in the afternoon for a monitoring inspection. - Ratio was respected during the visit. - Ten children's files were reviewed, and both the profile and consent forms were completed properly. - The following administrative records are maintained on site: financial records; daily attendance of children, monthly emergency evacuation and fire drill records, inspection and maintenance records for smoke alarms, smoke detectors, and fire extinguishers. - Monthly emergency evacuation and fire drills are completed. - Each child has an easily accessible space to store their personal belongings, which is labelled with their name and used only for the intended child. - Observations: During the visit, the establishment conducted a fire drill. Once outside, the educators performed a head count. The children ate their lunches provided by their parents, participated in free-play activities, and took a nap. - A discussion was held with the director regarding Policy 902.
