<p>General Comments</p> <p>A monitoring inspection occurred in the afternoon on the school age program.</p> <p>Upon arrival at the childcare facility, Inspector observed that the children had already arrived from school. The children were observed engaged in playing air hockey, reading books, drawing, building with blocks and Lego and playing a game of Connect 4.</p> <p>Inspector observed that the children's art was displayed on the walls. The children had created paper mache balls, and St. Patrick's Day art. Children were observed creating Easter Bunnies at the art table.</p> <p>In the indoor learning environment, a variety of interest centers were observed. The educators and children have created a "Camp Kid Zone". A tent canopy, cozy furnishings, pretend fire, marshmallows and bears were observed around the campfire. Children were observed playing in the area "cooking" marshmallows over the "fire".</p> <p>Inspector reviewed five (5) staff files, and all were verified complete. Fire Drills, Incident Logs, and mandatory postings were also observed complete.</p> <p>Discussed with the onsite Administrator that if children appear ill and cannot participate fully that their parent/guardian should be notified.</p> <p>Educators were observed using positive child guidance techniques during the monitoring inspection, engaged with the children in their learning, play and conversations.</p>
