General Comments A Monitoring Inspection was conducted this morning. Dolphin Room - The babies were observed in their classroom, playing with magnetic tiles and shape sorters. The educator was in the process of getting the babies ready for a walk. The babies were observed returning to Kid Zone, after their walk. The babies were wearing their Dolphin bucket hats. Attendance records were observed and accurate. Duckies - children were observed playing outside, in their fenced in play area. Educators stated that children are presently interested in vehicles, blocks, and being outside. The children were wearing their Ducky bucket hats. Attendance records were observed and accurate. Busy Bees - children were observed playing outside, in their fenced in play area. Educators stated that the children are presently interested in messy play - water, paint, and playdoh, and being outside. The children were wearing their Busy Bee bucket hats. Attendance records were observed and accurate. 3/4 Year Olds - Operator stated that the children were at the library, for a puppet show. A walk through of the facility was completed while the children were outside. Several forms of documentation were observed throughout the building - children's artwork, learning stories, and photos. Daily schedules were posted, as well as allergy information and menus. The parent board was observed, and all required documentation was present. Quality Assurance Monitor provided administrator with updated contact information. This information will be added to the parent board.
