General Comments

A renewal inspection occurred today.

In the infant room, inspector observed children's art is displayed and documented on the walls, Samples of finger painting, pictures of woodland animal art creations, painting ghosts and pictures of water play are displayed throughout the room.

The two's room, the walls are displayed with samples of the children's art and learning stories. Art finger paintings, making music outside, playing in the snow. Charts of the children's favourite foods is documented on the wall.

The two/three's room children's art is displayed as well as documentation supporting the children's learning. Pictures and stories of children building forts, exploring with monster trucks, leaving matching and dancing or displayed.

In the four-year-old room, the current interest is "Space." Educator indicated that this came from the interest of "things that go." Facts about astronauts, pictures of planets with facts, a "restaurant" that serves space food was all observed during the inspection.

Children were also observed engaged in outside play with their educators. Playing in the sandbox with monster trucks/cars, playing in the pirate ship and running and laughing with their peers.

Educators were observed speaking kindly and appropriately to the children, actively engaged in their learning and play.

Facility is recommended for license renewal.
