General Comments
<p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of activities this morning both indoors and outdoors. The indoor environments are set up with a variety of materials for the children to explore. Family photo walls have been added to each environment. Documentation is displayed in each indoor play area that supports the children's current interests and learning experiences.</p> <p>The early learning centre has been freshly painted in a neutral tone. New flooring, shelving and cubbies have been installed throughout the upstairs.</p> <p>Discussed with staff - raking areas under swings and play structure to ensure mulch does not pool away from fall zones.</p> <p>Next steps: Displaying books throughout interest centres. Setting up simple invitations for when the children arrive back from outdoor play.</p> <p>Chili was served for lunch. Monthly fire drills are documented. Two new staff files reviewed, all required documents in place.</p>
