General Comments
<p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of activities this morning including outdoor play, dramatic play, and fine motor activities. Children were observed playing in the freshly fallen snow.</p> <p>Purposeful planning is evident through documentation, invitations and materials added to the indoor and outdoor environment that support the children's current interests (building, dumping and filling, water play and snow).</p> <p>Handwashing routines observed after outdoor play, after diaper changes and before lunch. Daily attendance forms are complete and accurate. New staff file (2) review was completed, all required documents in place.</p>
