Comments: Deficiency is now compliant			

General Comments
A follow up to the renewal inspection was conducted today.

General Comments

A great improvement to the art centre in the preschool room with the addition of a variety of materials for the children to engage with. The art centre is set up with clear, covered, labelled boxes and is accessible to the children who wish to use the items to create works of art. Children's paintings are displayed in picture frames, low for the children to revisit whenever they wish.
