<p>General Comments</p> <p>Renewal Inspection completed this morning. A conversation was had with operator regarding Parent Committees. Operator had planned and prepared for a parent committee meeting for January 31, 2023. Six parents agreed to attend. No one showed up. Family engagement is a key element to a child's learning success. Pick-ups and drop-offs are not always long enough for conversations and or discussions. To build collaborative partnerships between centres and families, Parent Committees are being established and operated in designated New Brunswick Early Learning Centres. Operator to continue to work on establishing a parent committee. Quality Assurance Monitor provided operator with an outline of what is required. A Parent Committee is a requirement for Designation. Once a committee is established, parent names and minutes are to be shared with Quality Assurance Monitor.</p> <p>Facility is recommended for renewal, pending the recommendation from Public Health.</p>
