General Comments
Children engaged in play this morning. Each learning environment is set up with a variety of materials for the children to explore. The children from the two day program observed building with blocks, riding bikes and playing Frisbee with their educators in the gym. The children from the three day program were on a skating outing this morning.
Documentation is posted throughout the learning environments highlighting the children's learning and interests. Educators do a wonderful job capturing and documenting the children's words.
Each learning environment is organized and well maintained.
Hand washing routines were observed today.
All locks for medications and/or toxic products must be changed to locks with keys by the next annual inspection.
