General Comments
<p>A renewal inspection occurred today. Educators were observed using positive guidance with children in all environments. Children were observed over snack, in the gym and in their learning environments. Tables were set with open invitations, with include but not limited to paint, playdough, sand, water, dramatic play materials etc. Materials were open-ended to provide multiple choices, solutions and possibilities for exploration and investigation.</p> <p>Areas were flexible to accommodate children's emerging interests.</p> <p>Inspector had conversation with admin in regard to incident reports and needed to fill out when they have unexpected closures. Also to note, on attendance sheets, educators and parents also need to be added to keep track of who is in and out of each space.</p> <p>All checks were verified and complete.</p>
