<p>General Comments</p> <p>A Monitoring Inspection was conducted this morning. Children were observed during snacks, transitioning to outside play, and during outside play.</p> <p>The 2's were observed sitting at their table, finishing their morning snack. After snack, educator stated that the children would be getting ready for outside play. The educator stated that children are presently interested in animals, the song "Old McDonald", books, and Halloween.</p> <p>The 2/3's were observed transitioning to outside play. Children were observed sliding, sitting on hammocks, and playing on the rocking horse. Educators stated that the children are presently interested in "everything spooky!" Educators also stated that children love cars. The 2/3 classroom was observed while the children were playing outside. Several spooky decorations were observed, including a witch's lair under the loft.</p> <p>The 3/4's were observed sitting at their tables, eating their morning snacks. Educators stated that the children have been very interested in apples. Apple paintings, learning stories involving homemade apple sauce, and apple seeds growing on the windowsill, were observed. Educators also stated that the children enjoy obstacle courses, building, dress up, make-up and doing hair. Children were observed outside, playing soccer, swinging on hammocks, and playing in the wooden club house.</p> <p>Several forms of documentation were observed throughout the facility - children's photos, learning stories, and children's artwork The Parent Board was observed, and all required information was present.</p>
