## General Comments

Name of operator

Children engaged in a variety of activities both indoors and outdoors this morning.

Positive interactions between educators and children were observed during play, story time, washroom and hand washing routines.

## Preschool Room:

Discussed with educator documentation of children's interests and how there could be a variety of interests highlighted in the documentation that is posted rather then a weekly/monthly theme. Materials and books can be added to the learning environment based on the children's interests.

Book shelf to be added to display books as books are currently in a bin on the floor.

## Toddler Room:

Low open shelving to be added to display and store bigger toys that are currently stored in a bin on the floor.

als to the art shelf as they are currently using y cleaning.
