<b>General Comments</b>
Monitoring inspection completed today. Children were engaged in play throughout the indoor learning environment.. Materials are easily accessible and displayed to invite engagement. Playdough, dramatic play, stacking large foam blocks, creative art, trains, and sand table were activities observed. Educators and parent volunteer engaged along side children, supporting their efforts through conversation and questioning. Hand washing was observed ahead of children enjoying their snack.
Recommendation to update contacts for Early Learning and Childcare Services to ensure information is accurate. Requirement under regulation is that the name of the administrator, and name and telephone number of Inspector and Quality Assurance Monitor are posted in a visible and prominent place on the premises. It is not required to have all persons listed.
