General Comments

Monitoring Inspection:

Children and educators observed engaged in a variety of activities this afternoon including gross motor games, mindfulness activities, sensory opportunities, open ended art, and outdoor play. Educators observed encouraging children solve problems independently.

The indoor play area is set up with a variety of invitations and materials for the children to explore. Books are displayed throughout the environment that promote kindness and mindfulness. Materials have been added throughout the play area that support this children's current interests (Mario, sensory play, art, and Lego).
