### General Comments

#### Monitoring Inspection:

Children and educators observed engaged in a variety of activities this afternoon including building, board games, reading, open-ended art and outdoor play. One educator had a small group in the kitchen baking cookies.

Educators observed encouraging children to take turns and to clean up the indoor play area independently.

Purposeful planning is evident through invitations, documentation and materials added to the environment that

## General Comments

support the children's current interests (baking, building, hockey, art and doctor). Binders have been added to the entryway for parents and children to revisit documentation and photos of the children and their experiences. Ensure date is added to documentation pieces.

Apples and crackers were served for snack this afternoon.  
Hand washing routines observed before baking, at arrival and after outdoor play.  
New staff file (4) review completed.
