<p>General Comments</p> <p>The Quality Assurance Monitor (QAM) was on site this morning to conduct a monitoring inspection.</p> <p>During the inspection, the QAM verified the following :</p> <ul style="list-style-type: none"> - Medication records - Daily activities - Rest area - Daily routine - Child guidance practices - Indoor play area - Indoor play area materials and equipment - Health requirements <p>During the inspection, children were observed engaging in indoor play and transitioning to outdoor play. No non-compliances were identified during this visit.</p> <p>The Quality Assurance Monitor (QAM) noted that educators use floor books as a method of documenting children's learning. It was particularly positive to observe that children are actively involved in the planning and documentation process. The floor books promote educators to encourage children's active involvement in the natural flow of the day.</p>
