<p>Comments: The infant play area is currently enclosed by a gated fence that does not meet the required height of 1.22 meters. As per regulations, the outdoor play areas for infants and preschoolers must be securely enclosed by a fence that is at least 1.22 meters high. This standard is in place to help prevent young children from leaving the play area unsupervised.</p> <p>The administrator advised the Quality Assurance Monitor (via email) that the fence is scheduled to be replaced in October.</p> <p>The fence must be replaced before October 31st. This will be verified during a monitoring inspection.</p>
