General Comments

A renewal inspection was conducted today.

The children were observed in both inside and outside play, snack, lunch and preparing for nap/rest time.

The children's learning is displayed on the walls in the form of pictures and captions as well as their art creations.

The educators were observed engaged with the children and during the inspection speaking kindly and respectfully to the children.

Discussed with Director of Childcare ideas in enhancing the outside play area in the new year.
