Order for Compliance	Regulation	Date to be corrected	Date corrected
21 A licensee shall post the following documents in a clearly visible and prominent place in the facility associated with the licence: (a) the licence; (b) a report provided under section 23; (c) an order issued under section 28; and (d) a probationary license issued under section 29.	21(a) – (d)	Oct 31, 2023	Oct 30, 2023
Comments: During the renewal inspection, the inspector observed that the last annual inspection report was not posted in a visible place in the facility. As per the operator manual, a copy of the annual inspection report is to remain posted until the next annual inspection is completed. The administrator immediately posted a copy of the annual inspection report in a visible place in the facility. Deficiency is now compliant.			
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Oct 30, 2023	Oct 30, 2023
Comments: During the renewal inspection, the inspector observed a can of shaving cream (Gillette) in an unlock cabinet in the senior classroom. The administrator immediately locked the can of shaving cream in a lock cabinet. Deficiency is now compliant.			

General Comments
<p>During the renewal inspection, the inspector observed indoor free play and snack time. Inspector observed the children all excited getting ready to go play outside in the snow.</p> <p>The inspector observed positive interactions between the educators and the children such as using positive language when interacting with children and they were able to freely choose their activities (Halloween painting, craft, blocks).</p> <p>The ratio was respected at all times during the renewal inspection.</p>
