General Comments The Quality Assurance Monitor is on site this afternoon to conduct a monitoring inspection. The following elements are observed: - Staff records - Qualifications and training - Checks - Storage space - Daily routine - Daily activities - Child guidance During the visit, children are observed participating in quiet time and engaging in free play. One educator is taking attendance prior to going to the gym. Children are reading stories, exploring a sensory bin, and participating in snack time. An educator is reading the book <i>The Color Monster</i> to the children in their classroom. The Quality Assurance Monitor discussed the use of the Bosu ball with the administrator after observing a child jumping on it. The administrator stated that the Bosu ball is used according to the manufacturer's guidelines and that it is utilized in the same manner as it would be in a gym setting. The ratio is respected during the visit.
