<p><b>General Comments</b></p> <p>The Quality Assurance Monitor is on site for a monitoring inspection. The ratio was respected during the inspection.</p> <p>While on site the Quality Assurance Monitor verified the followings:</p> <ul style="list-style-type: none"> <li>-Daily activities</li> <li>-Child guidance</li> <li>-Indoor play area and material</li> <li>- If all required documents are posted in a visible and prominent place in the facility</li> <li>- Washrooms</li> <li>-Staff member records</li> <li>-Checks</li> </ul> <p>The Quality Assurance Monitor observed the children eating their snack then transitioning to an activity of book reading and drawing with a group of preschool children. Each preschool child was partnered with school aged kids to read a book. The Quality Assurance monitor also picked a name from the kindness jar, a kindness jar was created for when the children would do an act of kindness they can add their name on a piece of paper in the jar. Positive interactions were observed between the children and the educators.</p>
