| |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| General Comments |
| <p>The Annual Inspection visit was conducted in the Afternoon.</p> <p>Ratio was respected.</p> <p>The Quality Assurance Monitor observed the children arriving from school and having their afternoon snack, bananas and yogurt.</p> <p>One staff's Vulnerable Check is no longer valid. The staff is on leave for now and should have their Vulnerable Check renewed before coming back to work.</p> |

General Comments

Regulation 31(4)(b) An operator shall ensure that the outdoor play area of a licensed facility consists of more than one surface to permit different types of play was not observed because the ground is covered with snow. The Quality Assurance Monitor will verify this in the spring when the snow is all melted.
