General Comments

On the day of my visit the 2 year olds and some of the 3 year old children were napping and the other 3 year olds who don't nap were playing in the loft area. I reviewed the events of the boy who fell and the incident report and all proper protocols were followed. In the future the children will play on the carpet rather during change time. The ratio was and extra educator to help with after swim clothing change. Children should not stand on chairs without direct supervision.
