General Comments

On the day of my visit the children were very excited to see and play in the fresh snowfall. Everyone went outdoors at different times and staff need to remember to enhance the outdoor play and learning as they would do inside.

Everybody needs to update their First Aid Kits and clean out heir bags so it is easier to find what they need.

Weemarkable is the app that the YMCA created for its daycares and preschools and it links very well with the NB Curriculum.

The loft area is used exclusively by the 3 year olds and it needs to become more and environment the enhances learning as the third teacher. Decorating to spark the imagination and more subsections with different play areas will help. Tabatha has a plan that she hopes to implement by Spring.
