<p>General Comments</p> <p>On the day of my visit the program was very small. The Educator has a very good rapport with the children and she is kind but firm. The program enjoys Arts and Crafts and they had some nice examples of the student's art work displayed on the walls. While I was there Tiffany and the children brain stormed about what supplies they needed for February and what activities they would like to do.</p> <p>The postings need updated and there was no Administration nor licensing information posted on the parent board, nor fire drill posted. I have Tiffany's staff information so I know it is up to date but she should have a copy of her file on site.</p> <p>I was screened for Covid upon entry but the thermometer needs new batteries which Tiffany will remedy tomorrow.</p>
