General Comments
On the day of my visit I followed up on compliances from my last visit. The postings are up to date and posted on the wall in the classroom. Tiffany's file is on-site and complete except for a copy of her signed declaration which she will add to her file asap. Tiffany bought supplies for indoor play and the children showed me their pencil cases and markers and clipboards when I arrived. They were making Valentine's cards with their new supplies.
