General Comments

On the day of my visit the programs were operating very well. The morning preschool went swimming this morning and had a Fire Drill. The Afterschool programs have done their Fire Drills as well. The science experiment conducted by Zac was enthusiastically received by the afterschool children. They also added a new race track to the room that the children really appreciated.

They are adding new outdoor toys in a week or two and the EA in the Jones room will be taking his First Aid in March, depending on what Covid phase we are in at that time. The weather has been mild and all groups are enjoying their outdoor play.
