Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

On the day of my visit the programs were running well and the children and staff were happily engaged in meaningful and interest activities and interactions. In one classroom they were making mobiles from CC's and in the other classroom they went to the gym to play. Everyone will go outside later if it doesn't rain.

The parent boards looked good and were up to date with Fire Drills, administrative information and all other required postings.
