General Comments

On the day of my visit the center was clean and organized. Jennifer screened me at the door and all proper Covid procedures and protocols were being followed. Their Fire and Health inspections are up to date and the Attendance forms, Fire drills, First Aid kits and all other check lists were done and current.

The children were all playing outdoors when I arrived except the 4 year olds who had gone apple picking in Keswick using the Preschool bus, driven by Nick Moran. The transition time before lunch in the baby room was not as smooth as it could be, the children were hungry and crying a lot before lunch arrived. It helps if staff are pro-active and have lunch ready before the babies are put in their high chairs and having beds ready in the morning would allow napping twice a day when necessary.

Please fix the little stage under the stairs and the lattice work. The portable sink in the 3's room needs fixed or replaced. The classrooms look good, clean and well organized.
