General Comments

On the day of my visit the summer programs were coming to an end and the children and staff were getting ready to change rooms in the Fall. The rooms are being painted soon which will be a great improvement. The ceiling tiles in some of the rooms will need to be replaced as they are stained and some are broken. The loft in one room has steps that need fixed and the register in this room is scraped and needs replaced. The front door needs to be painted and postings can go on the parent board. Pea gravel was added to the outside play area under the climbing structures this Spring and it needs to be raked back under the ends of the slides.
