<p><b>General Comments</b></p> <p>The centre is still waiting on pea gravel. Therefore, there is not 30 cm's of pea gravel under the swings in the big yard. Please advised your inspector once pea gravel is added.</p> <p>The playground has been cleaned up and re-organized.</p> <p>New cabinets have been ordered to store the mops and buckets away from the classrooms.</p> <p>The centre is working on a plan to repair/replace some windows.</p> <p>If protective surfacing is not being added under the infant swings, then I would ask that they be removed so they don't unlatch and hit a child.</p>
