### General Comments

#### Follow-Up Monitoring Visit Performed

On the morning of the monitoring visit, all children were outdoors playing. I was welcomed by the administrator and staff and met the new educators who have been hired.

Rooms have been organized to start off the new school year and there have been some nice changes.

General Comments

Furniture has been rearranged and new fall artwork is already being added to the walls.

All staff who have been hired must have their first-aid course. Please send certificates along once the course is completed and they are certified.
