Address 210 Victoria Street Fredericton NB E3B 1W4			
Name of Early Learning and Childcare Licensing Staff Megan Munden		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

### General Comments

Children were in the outdoor play space during the morning. Educators remained engaged- playing with children, getting additional toys out of the shed and anticipating the needs of the children. Educators took children in for potty breaks, diaper changing, and reminded children to take lots of water breaks to have a drink.

Child guidance was positive during the inspection. Educators asked children about their Canada Day weekend and spoke to children at their level and in a kind voice. They also spoke calmly to the children when redirection and reminders were needed.

The outdoor play space had numerous areas for children to play in- a large structure, balls, ride on toys, chalk, markers and paper on the picnic table and a bean bag toss game. There are rims on the sandbox tarp that appear to have rust on them. Please remove these from the space.

New children have recently been enrolled at the facility and other children have transitioned to new rooms. The administrator and educators provided compassionate care and gave extra hugs and assisted children in playing with new friends and finding what toys they would like to play with.

The indoor play spaces were clean and organized. Toys and materials were accessible to the children.

Administrative, staff, and child files were checked, and all required documentation was complete. Proper handwashing was observed, and diapering procedures were followed.

The transitions from outdoors to lunch and from lunch to nap were smooth. Educators worked as a team and communicated to complete tasks together.

During nap time, older children had quiet activities to play with and the educator went along with the children's imaginative ideas for games.
