<p>General Comments</p> <p>On the day of my visit the program was functioning very well. We were properly screened under the Covid protocols for the Red phase upon entry. The Covid protocols for staff and the children are being followed and there are extra staff for cleaning and sanitizing.</p> <p>The learning stories for all ages were well done and inclusive, all the children are being represented. The Parents receive these books documenting the children's year and they are lovely records of their adventures. Programming is being co-created and follows the children's interest.</p> <p>The outdoor play area is divided during Covid and each group has their own play area. There are sufficient outdoor toys for each group.</p> <p>The centre is still serving food and the lunch room is used by each group separately.</p>
