General Comments
<p>On the day of my visit the program was functioning very well. All the classroom looked great, clean and well organized. The atmosphere of the whole building was calm and cheerful.</p> <p>The outdoor play area is sectioned off for different age groups and it will need more surfacing in the Spring. Please remember to take extra outdoor toys outside to add to the children's play.</p> <p>All Covid protocols are being followed and there are no issues.</p> <p>I saw numerous examples of positive interactions between staff and children and many creative activities taking place. They are still serving food and today's lunch was posted and the children seemed to all enjoy it.</p>
