Comments: Deficiency is now compliant			
33(2) Stationary equipment in the outdoor play area shall be surrounded by a protective surfacing and installed according to the manufacturer's instructions.	33(2)	Aug 24, 2020	Sep 11, 2020
Comments: Deficiency is now compliant			

General Comments
On the day of my visit the compliances had been met. They have decided to operate their preschool program again therefore the preschool outdoor play area needs to have 2 types of surfacing. If the ninja line is used it must have pea gravel underneath as there is no protective surfacing left in this play area.
Everything else is up to date and the center was clean and well organized.
