Order for Compliance	Regulation	Date to be corrected	Date corrected
11 The qualifications and training requirements for administrators and educators are as follows: (a) an administrator and educators must hold a valid first aid certificate and a valid cardiopulmonary resuscitation certificate;	11(a)	Apr 30, 2021	Jun 01, 2021
Comments: Deficiency is now compliant			

<p><b>General Comments</b></p> <p>On the day of my visit I was properly screened upon entry and all Covid protocols are being followed. The centre is very clean and bright and a lot of thought, effort and planning has gone into the set up and decorations of the rooms. The walls have been painted and the materials are clean and organized.</p> <p>Today's snack was nutri-bars and bananas with water. The children played outside first and then came in for their snack, then went back to eat outside. Rhonda and I discussed setting up 5 invitations for the children's play before they arrive. This does not interfere with the children's free choice of activities as they can choose to do something else or anything else that they suggest and/or co-create something new with their teachers.</p> <p>The afterschool teachers should share in accessing the professional development because there are so many wonderful ideas that they would be able to use in programming activities for their groups.</p> <p>The staff files are up to date and everyone has their first aids now.</p>
