General Comments

I was screened upon entry to the center, and COVID guidelines appear to be followed. Today I checked all staff files. They contained all necessary information and all checks are up to date. The administrator is aware that a couple of checks will be expiring soon. Child-staff ratio is maintained in each classroom. All classrooms are set up with sufficient age-appropriate materials in each one. Children's work is displayed on the walls. The outdoor play area appears to be safe and there appears to be a variety of outdoor materials for the children to play with. All necessary postings are displayed. Everything appeared to be running smoothly on my visit. Please ask parents to provide weather-appropriate attire to ensure children get to play outside in different types of weather.
