General Comments
<p>The children were observed mark making, fixing items at the workbench, cooking in the play kitchen, playing with dinosaurs, building a tower with lego and reading books.</p> <p>The indoor area appears clean and has a variety of age-appropriate materials for the children to learn and explore with.</p> <p>I looked at the documentation on the walls and more up to date documentation would be suggested, as most the of the documentation is from the summer, early fall.</p> <p>It is recommended that there be noise cancellation headphones be supplied for the preschool rooms as it was observed a few children were having difficulty with the loud voices/music in the room.</p> <p>Educators were observed playing with the children and sitting at the table eating lunch with them.</p> <p>Please update the parent with correct phone numbers for Inspector, Nancy Glendenning 506-429-3091 and myself 506-259-4172.</p>
